Meet the Cows of the hour!

DAISY

Type - Vodka

About me - Fresh, clean and crisp. It's the perfect choice for those who appreciate a mild, versatile spirit. Delivering a flawless foundation that compliments every ingredient.

Our serving suggestion - Pairs excellently with a crisp tonic water and a wedge of lime to highlight its pure and refined taste.

AUDREY

Type - Dry Gin

About me - A blend of traditional botanicals with a unique, slightly sweet twist. Its earthy tones and subtle sweetness enhance any gin-based drink. From a simple G & T, to a more complex concoction.

Our serving suggestion - Pairs beautifully with a premium tonic, slice of lemon to enhance it's vibrant, earthy flavours.

EVA

Type - Citrus Gin

About me - Infused with a selection of citrus fruits, this gin boasts an enticing aroma that promises to uplift your spirits from the first whiff. Enjoy the unique blend of aroma, flavour and warmth that makes our Citrus Gin a stand out choice for gin enthusiasts.

Our serving suggestion - Pairs wonderfully with a crisp tonic water and a twist of lime to highlight its lively citrus notes.

DECHAINED

Type - Navy Strength Gin

About me - I am named after a submarine in the Royal Australian Navy. I am a strong delicate gin with hints of Hibiscus and Mint. Designed to knock your socks off, I sit at a warming 58% ABV! But do not be scared of me, I am the Distillers choice!

Our serving suggestion - A simple standard shot with a dash of tonic. Be sure not to overdo it with the tonic!
